

## Three Years of Serving the Community!

This past three years at Anderson Insurance Brokers has passed in the blink of an eye. With another milestone reached, Anderson Insurance Brokers celebrated its third anniversary. We are proud to announce that in the last three years, the growth we have attained has greatly exceeded our expectations.

Over the course of the last 2 years, we have added seven additional members to our team, including five producers and three customer service agents. These new associates have brought additional knowledge and experience to our already practiced and well-informed staff. "Providing the best customer service experience in the market place remains our main goal. As always, our customers continue to be our number one priority", Kevin Anderson, Managing Partner of Anderson Insurance Brokers pointed out.

We look forward to many more years of serving Berks and surrounding Counties with the personal touch our customers have come to know and expect.
