Anderson Insurance Brokers Moves to Larger Space

Wyomissing, Pa., September 17, 2010 — After three years of steady growth, Anderson Insurance Brokers is moving to a larger space at 1150 Berkshire Blvd., Suite 220.

Geared for growth, Anderson Insurance Brokers hired new employees to manage the new markets it added to its offerings in the last three years. So, with these new employees and office space at a premium, it was time to make the move to a more workable environment. “Staying in the same building was a business decision so we would not disrupt our customers’ familiarity to our location,” said Kevin Anderson, managing partner, Anderson Insurance Brokers. “Maintaining personal relationships and individualized service with our customers is very important to us.”

This new office will enhance the capabilities of our staff to move closer to our objective - customer service! “As our organization grows, we are committed to providing the best customer service experience in the marketplace” said Anderson.
