

The Passing of a Founder:

I am saddened to have to announce the passing of my Father, Robert L. Gaul, Sr. earlier this summer. It was an unexpected loss; his personable & endearing presence will surely be missed by the many that had the pleasure of knowing him.

My Father's insurance career began in 1954 and he founded American Insurance Management, Inc. in 1980. He made personal relationships & professional service the cornerstones of his agency & continued to instill those same principals upon the staff of Anderson Insurance Brokers, LLC.

He was a devoted husband, a loving father of six and grandfather of six. His laughter, stories & songs brightened the offices of Anderson Insurance Brokers daily and his generous & jovial spirit will always be with us. I'd like to thank everyone on behalf of my family for all of the kind words & remembrances; they certainly helped us in our hour of mourning.
